blend information

100% Cabernet Sauvignon

in the vineyard

The grapes from this wine come solely from 15 year old Hoopenburg bush vines.

about the harvest

The grapes were picked at 25° balling.

in the cellar

The grapes were destemmed but not crushed to preserve the fruit. The grapes were fermented for 3 weeks on the skins before being pressed and laid to rest in French oak barrels - 20% new and the balance went into 2nd and 3rd fill. Here the malolactic fermentation occurred. The wine was lightly fined and filtered before being bottled.
